BAREBOAT CHARTER CONDITIONS

Scottish Yacht Charters hereafter referred to as The Company.

1. CONDITIONS OF PAYMENT

1.1. The Company will let the Yacht and the Charterer will charter the Yacht for the period of the charter for an agreed Fee. The Charterer will be over 25 years of age. An advance payment will be paid to The Company on the Charterer signing the agreement. The balance of the Charter Fee, plus a Security Deposit of £750.00 will be paid to The Company no less than 28 days before the start of the period of charter.

1.2. In the event of the Charterer giving notice in writing of cancellation:-

1.2.1. If the notice in writing of cancellation is given at least two calendar months in advance of the start of the period of charter, the advance payment shall be forfeit but the Charterer shall have no liability for the balance of the charter fee.

1.2.2. If the notice in writing of cancellation is received less than two months in advance of the start of the period of charter, the Charterer will be liable for the full balance of the charter fee, but shall be entitled to find a replacement Charterer who is acceptable to The Company. It is therefore, strongly recommended that Charterers cover themselves with adequate Travel/Cancellation Insurance.

1.2.3. The charterer shall not be entitled to any refund or compensation in the event of curtailment of the charter due to ill health, personal or other reasons.

2. DELIVERY OF YACHT

2.1. At the start of the period of charter the Charterer will have the opportunity to inspect the Yacht and upon this acceptance the Yacht shall be deemed to be in good order and fully in compliance with its description.

2.2. The Company has the right to accompany the Charterer for trials prior to handover and, if not satisfied of the ability of the Charterer and his crew to handle the Yacht safely, will terminate this agreement (in terms of section 2.3), or restrict the cruising limits, or allow the charter to proceed as a Skipped Charter.

2.3. The Company reserves the right to refuse to hand over the Yacht to anyone who, in our opinion, is not suitable to take charge. No reason need be given. In this event all sums paid will be refunded with no claim against The Company.

2.4. If the Charterer is not available to accept the yacht at, or within 4 hours of the agreed time and place, any subsequent boarding shall be at the convenience of The Company who reserve the right to charge for any additional costs incurred. Under these circumstances, no pro-rata refund for lost charter time will be considered.

3. OBLIGATIONS OF THE COMPANY

3.1. The Company will deliver the Yacht to the Charterer at the start of the period of charter in full commission, in good condition and with all the gear and equipment complying with MCA regulations in force at the time for the specified cruising limits of the Yacht. We do not warrant that items of ancillary mechanical or electrical equipment, whether advertised in the description of the yacht or not will be in working order at all times.

3.2. The Company does not warrant the fitness of the yacht in all conditions of weather for any particular passage within the cruising limits.

3.3. The Company will deliver the Yacht to the Charterer at the agreed time and place. If for any reason The Company are unable to deliver the Yacht a refund will be made to Charterer pro-rata for each complete 12 hour period of such delay. If such delay exceeds 48 hours, the Charterer shall have the right to terminate the agreement and receive a return of both Charter Fee and Advance Payment without further liability to The Company.

4. INSURANCE AND DAMAGE

4.1. The Company will insure the Yacht against all the usual marine risks with protection and indemnity insurance of at least £2,000,000. The Yacht insurance does not cover personal effects of the Charterer or any member of the charter party.

4.2. Notwithstanding the provisions of 4.1 the Charterer shall be liable for any damage or loss to the Yacht, its equipment or furnishings occasioned by the Charterers, or any other member of the charter party's, own negligence or misuse.

4.3. If during the period of charter the Charterer is prevented from using the Yacht through reason of breakdown of machinery or gear or by damage to the Yacht which is not due wholly or in part to the Charterer, his servants or agents or any member of the charter party's negligence, act or omission then a pro-rata return of the Charter Fee shall be paid to the Charterer for any period that the Yacht is unfit for use. Engine breakdown and failure of electronic navigational aids are not considered to make the Yacht unfit for use under the terms of this agreement.

4.4. If during the period of the charter the Yacht becomes a total loss, whether actual or constructive, and provided such total loss is not due wholly or in part to the Charterer, his servants or agents or any member of the charter party's negligence, act or omission or misuse by the Charterer, his servants or agents or any member of the charter party then a pro-rata refund of the unexpired portion of the Charter Fee shall be made to the Charterer.

4.5. The Company shall have no liability for the death or personal injury to the charter, his servants or agents or any member of the charter party or any other person except where such death or injury is caused by the express act, default or negligence of The Company

4.6. Save as provided in clause 4.5 The Company shall have no liability for any loss or damage however caused arising out of this agreement or of the Charterers use of the Yacht.

5. OBLIGATIONS OF CHARTERER

5.3. The Charterer shall pay for all running expenses during the period of charter.

5.4. The Charterer shall take good care of the Yacht and all its gear and equipment during the period of charter.

5.5. The Charterer shall ensure the yacht remains afloat at all times. If the yacht does ground (for whatever reason) the Charterer is legally bound to notify The Company.

5.6. In the event of any accident or damage to or failure of the Yacht or the happening of any other event which might give rise to a claim under The Company insurance, the Charterer shall report such an occurrence to The Company forthwith and shall comply with any instructions given to him by The Company or the insurers. In addition, the Charterer must make every effort to get the details of any third party involved in the accident. Where loss or damage is caused to the Yacht the Charterer shall use his best endeavours to obtain the prior approval of The Company before putting any repairs in hand.

5.7. The Charterer will not sub-let or part with control of the Yacht without the written consent of The Company.

5.8. The Charterer will not use the Yacht for any other purpose than for private cruising for himself, his crew and his guests. He/she will not race the Yacht.
